**NOTE: Please see reverse side of this document for specific supporting document requirements. Site plans and color samples may be required. Photographs are a requirement for most items and highly recommended all requests. More support information, rather than less, can assist the committee in making an informed decision and avoid delays. A modification request must be resubmitted if approved work is not completed within 6 months. Please call Community Association Services (907-0202) if you have any questions.**
